Please contact the laboratory by phone at 902-566-0877 or by email at rdvsavcds@upei.ca or refer to our *Diagnostic Services Reference Guide* for further information about test selection, specimen selection, or for any other information related to the services of Regional Diagnostic Virology Services at AVC.

Filling out the Companion Animal Submission Form:

1. The *Companion Animal Submission Form (QA-F-101A)* can be requested from AVC Diagnostic Services, found on our website, <http://diagnosticservices.avc.upei.ca> or from a provincial veterinary laboratory. Please complete all fields and write legibly
2. Place the submission form in a separate plastic bag during shipment.

BOX TO BE CHECKED IF SUBMITTING VETERINARIAN HAS INDICATED SUBMISSION QUALIFIES FOR P.E.I. PROVINCIAL GOVERNMENT SUBSIDY

Note: Specimen(s) submitted for testing including agents isolated and intellectual property that can arise from the processing of specimens become the property of UPEI. Arrangements should be made in writing at the time of submission if there are any issues or concerns.
